Important Rules

To help you enjoy the weekend

All Yas Marina guests are subject to the marina's rules and regulations and the Formula 1 supplemental marina rules and regulations (vessel owners and operators are requested to provide their guests with the same). We anticipate as many as 15,000 Yas Marina guests per day of the event. With that many guests, it is critical that the following procedures be upheld to maximise everyone's security and enjoyment throughout the weekend.

1. Once berthed at Yas Marina, no vessel movement will be allowed and tenders are only allowed within marina boundaries.
2. Abu Dhabi Coast Guard will conduct a security inspection of Yas Marina, and all vessels berthed within it, any time on or after Sunday, 24th November.
3. From Monday, 2nd December, all vessels are free to depart from Yas Marina and enjoy the Abu Dhabi waters, in accordance to the local and federal regulations.
4. Parking at Yas Marina from Thursday, 28th November until Sunday, 1st December will be limited to parking pass holders only. Please refer to the Parking Pass section of this document.
5. Yas Marina is a NO DRONE ZONE. The flying of drones is prohibited at all times.
6. Use of personal water crafts (jet skis etc.) and personal transporters (segways) etc. is strictly prohibited within and around Yas Marina.
7. No buggies (golf carts) are allowed at the marina except those belonging to Yas Marina. Prior booking of private buggies is available through the sales team.
8. Delivery times are between 6am and 2pm, and will be strictly enforced from Thursday, 28th November to Sunday, 1st December.
9. No external caterers are permitted to access the marina except those listed as approved suppliers.
10. Any catering trucks not belonging to one of our official caterers will not be allowed access to the marina even during allowed delivery hours.
11. All Yas Marina guests must wear their Guest Pass outside of their clothing at all times while on the marina.
12. There is no music permitted after 2am every morning. This is in order to accommodate your neighbouring vessel and Yas Hotel guests.
